Open strings and your first notes

Weeks 1 and 2, then the first fretted note in Week 3

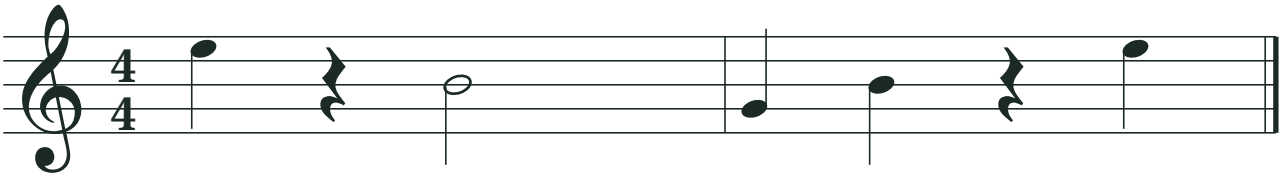

A First three notes

Day 1. Say the notes, clap the rhythm, then play with your index finger.

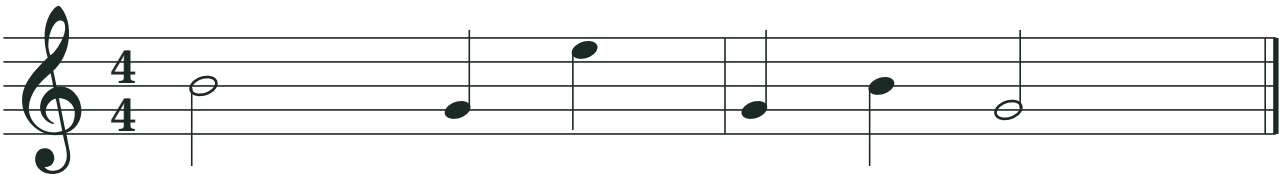

B Keep counting through silence

Days 3 and 6. Keep the beat during the quarter rests.

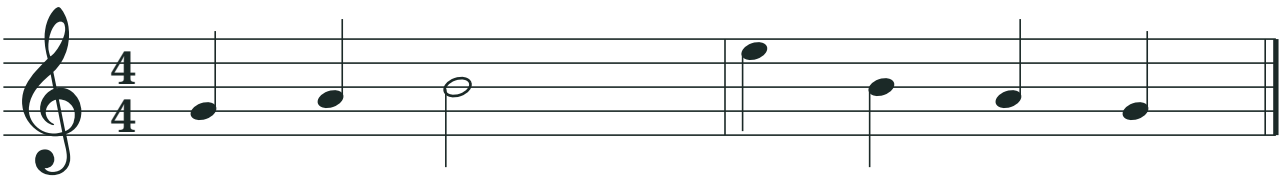

C A new order

Days 4 and 10. Count two full beats for each hollow note.

D Open G to fretted A

Days 15 and 16. A is on string 3, fret 2. Release the finger to return to G.

Day 1 anchors

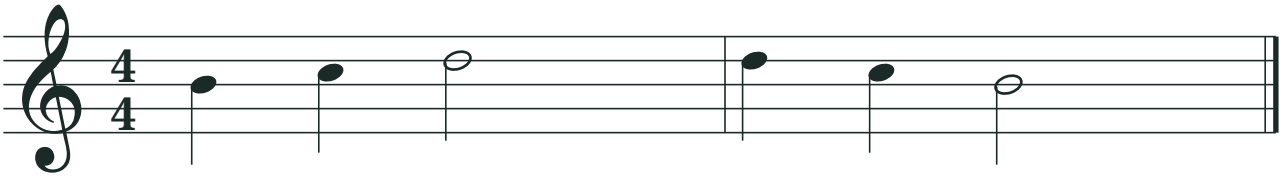

G is string 3, open. B is string 2, open. High E is string 1, open.

Treble strings and sight-reading

Weeks 3 and 4

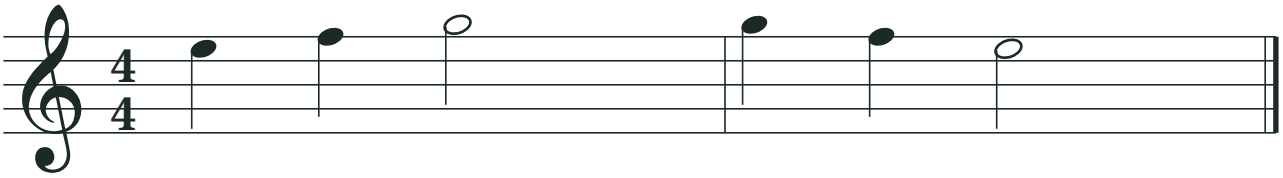

E The second string

Day 19. Read B, C and D from the staff before checking their frets.

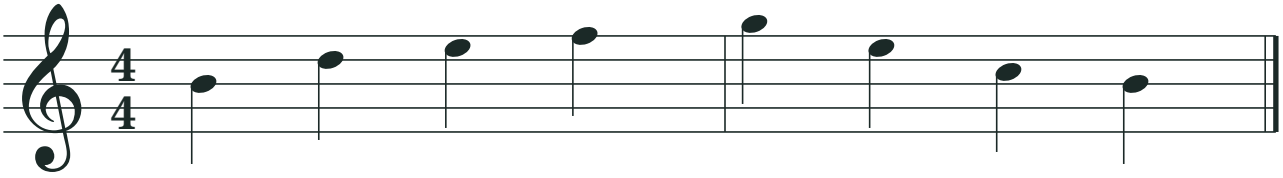

F The first string

Day 20. Let E, F and G ring for their full written duration.

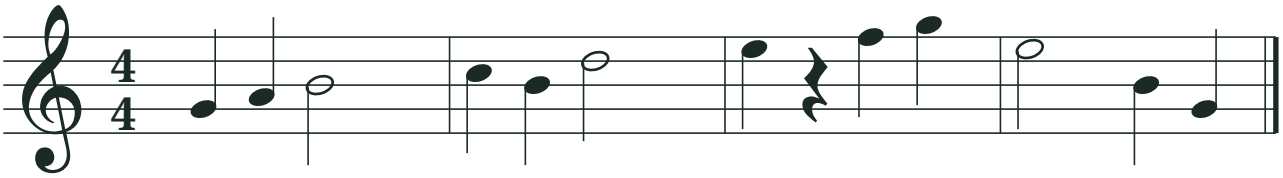

G Switch between strings

Days 22 and 26. Check the first string crossing before you count in.

H First-take reading

Day 27. Scan for 20 seconds, then play once at 48 to 55 beats per minute.

Assessment

Aim for at most one pitch slip and keep counting through all four bars.
