

Sviatoslav Foshchii

Salesforce Marketing Cloud Consultant and Technical Project Manager

Copenhagen, Denmark | sviatoslav.foshchii@gmail.com | +45 71 63 63 96 | linkedin.com/in/sviatoslav-foshchii | github.com/Foshchii | foshchii.github.io

PROFILE

I combine hands-on Salesforce Marketing Cloud delivery, agile project management and a psychology background. My work sits between technical teams, client stakeholders and marketing operations: translating ambiguity into plans, keeping migrations moving, documenting repeatable processes and helping teams adopt new tools without losing momentum.

TARGET ROLES

Salesforce Marketing Cloud Consultant | Application Consultant | Technical Project Manager | Martech Project Manager | CRM Operations Consultant

EXPERIENCE

VML MAP

Application Consultant, Jun 2026 - Present | Technical Project Manager, Dec 2022 - Jun 2026 | Copenhagen

- Maintain and enhance Salesforce Marketing Cloud operations for a worldwide brand, contributing to a 25% increase in delivery efficiency.
- Managed a significant Adobe Campaign Standard to Salesforce Marketing Cloud migration while keeping marketing operations running continuously.
- Create uniform procedures and documentation across technical development teams.
- Facilitate Scrum ceremonies for large projects, improving team productivity by up to 20%.
- Coordinate resource allocation with stakeholders, reducing operating costs by up to 15%.

Digital Project Manager - Optimozg

Jan 2020 - Dec 2022 | Ukraine

- Managed digital marketing and technology projects across PPC, e-commerce and product-growth workstreams.
- Led campaign roadmaps, workload planning and team structures to meet KPIs across client accounts.
- Contributed to a 10% annual revenue increase on Gulddeal through e-commerce project delivery and marketing strategy.
- Supported product-roadmap discussions and A/B testing for MOSH, contributing to a 20% improvement in user experience.

Earlier communication and field roles

OSCE/ODIHR and legal clinic work | 2018 - 2019 | Ukraine

- Supported OSCE observers during the 2019 parliamentary election process in Ukraine.
- Provided communication counselling and mediation support in a legal clinic context.

SELECTED PROJECTS

- Adobe Campaign to Salesforce Marketing Cloud migration: led migration delivery while protecting marketing continuity and operational handover.
- Keto Scanner: built a live personal web app with AI-assisted product development, from concept and data model to interface and deployment.
- Personal website and booking widget: static GitHub Pages site with structured data, lms.txt, crawler-friendly articles and a reusable scheduling widget.
